**Independent Auditor's Report
To the Shareholders of Padma Islami Life Insurance Limited
Report on the Audit of the Financial Statements**

Qualified Opinion

We have audited the accompanying Financial Statements of Padma Islami Life Insurance Limited ('company') which comprise Balance Sheet (Statement of Financial Position) as at 31 December 2024, and the Life Revenue Account (Statement of Profit or Loss and other Comprehensive Income Account), Statement of Changes in Equity, Statement of Cash Flows for the year then ended, and a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at 31 December 2024, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs), the Companies Act 1994, the Insurance Act 2010, the Insurance Rules 1958, the Securities and Exchange Rules 1987 and other applicable laws and regulations.

Basis for Qualified Opinion

1. Reference to note 7, Life insurance fund shown negative balance for the amount of Tk. (2,919,224,627)/- which raise significantly doubt about the company's ability to continue as a going concern.
2. Reference to note 10, Non-compliance with Section 72 of the Insurance Act 2010 was observed, that outstanding claims totaling Tk. 2,479,535,535/- did not settle within the mandated 90 days, and not make any provision for interest on these outstanding claims.
3. Reference to note 8, Sadaka Fund (Padma Welfare Fund) amounting to Tk. 43,422,132/- for which we are unable to confirm due to lack of sufficient appropriate evidence.
4. The company has made significant investments in Al-Manar Hospital amounting to Tk. 2,10,00,000/- These investments have not generated any income in the current year, and no provisions have been made regarding potential losses.
5. Reference to Note 20, Cash and bank balances could not be confirmed because 6 bank statements were not provided, and 162 other bank accounts had no financial transactions for a long time although these bank account contains 52,952,223/- in ledger balance.
6. As per Gratuity Fund Agreement, an annual audit is mandatory. However, the company has not conducted the required annual audits despite disbursing gratuity payments to the concerned individuals. This constitutes a breach of the terms of the agreement and raises concerns regarding the transparency and assurance of the amounts paid.
7. The company didn't comply deferred tax as per IAS-12 for revaluation on asset.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for

the Audit of the Financial Statements section of our report.

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in the audit of financial statements for the year 2024. These matters were addressed in the context of the audit of the financial statements as a whole, and in forming the auditor's opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters described in the Basis for Opinion section we have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risk of material misstatements of the financial statements. These results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Risk	Our Responsibility
Property, Plant & Equipment	
<p>The carrying value of property, plant & equipment amounts to Taka 1,615,711,552/- This represents a significant amount in the company's statement of financial position as at 31 December 2024</p> <p>There is a risk of:</p> <ul style="list-style-type: none"> determining which costs meet the criteria for capitalization; determining the date on which the assets is recognized to property, plant and equipment and depreciation commences; the estimation of economic useful lives and residual values assigned to Fixed asset. <p>We identified the carrying value of property, plant and equipment as a key audit matter</p>	<p>Our audit procedures to assess the carrying value of property, plant & equipment included the following:</p> <p>Our audit procedures included controls testing and substantive procedures covering, in particular:</p> <ul style="list-style-type: none"> Assessing the design, implementation and operating effectiveness of key internal controls over the completeness, existence and accuracy of property, plant and equipment including the key internal controls over the estimation of useful economic lives and residual values; Assessing, on a sample basis, costs capitalized during the year by comparing the

costs capitalized with the relevant underlying documentation, which included purchase agreements and invoices, and assessing whether the costs capitalized met the relevant criteria for capitalization.

- Testing the key controls over the management's judgment in relation to the accounting estimates of the depreciable lives and residual values of property, plant and equipment.
- Reconcile on a sample basis the additional capitalized costs for the year to the underlying invoices and supporting documents.
- We reviewed minutes of board meetings for approval of the total capitalization cost.
- We assessed the company's capitalizations policy for compliance with IAS 16 and tested the expenditure capitalized against the capitalizations Policy.
- We traced payments to supporting documents.
- We assessed the adequacy of the disclosures of the financial statements.

See note no 21.0 and Annexure to the financial statements.

Valuation of Life Fund

Valuation of life fund involves complex and subjective judgments about future events, both internal and external to the business, for which small changes in assumptions can result in material impacts to the valuation of these liabilities.

At 31 December 2024, the company reported total balance under the head of Life Insurance Fund of BDT (2,919,224,627.00); 2023: BDT (2,544,120,079.00).

The work to address the valuation of life fund included the following procedures:

- Understood the governance process in place to determine the life fund.
- Reviewed the actuarial report and assessed the reasonableness of the assumptions used to estimate the Liability.
- Tested key judgment and controls over the liability, including the preparation of the manually calculated components. We focused on the consistency in treatment and methodology period-on-period.

Based on the work performed and the

	evidence obtained, we consider the assumption used to be appropriate.
See Note no 7.00 to the Financial Statements	
Premium Income	
<p>Gross insurance premiums amount of Tk. 145,384,784/- is comprising the net premiums amount of Tk. 145,240,397/- received for the whole period of cover provided by contracts entered into during the accounting period.</p> <p>Given the important nature, connections to other items to the financial statements and sensitivity of the item we believe this area pose high level of risk.</p>	<ul style="list-style-type: none"> • Carried out cut-off testing to ensure unearned premium income has not been included in the premium income. • On a sample basis reviewed policy to ensure appropriate policy stamp was affixed to the contract and the same has been reflected in the premium register. • Ensured on a sample basis that the premium income was being deposited in the designated bank account. • Tested on a sample basis to see that appropriate VAT was being collected and deposited to bank through Treasury Challan. • For a sample of insurance contracts tested to see if appropriate level of reinsurance was done and whether that reinsurance premium was deducted from the gross premium. • Applying specialist judgment ensured if there is any impairment of the reinsurer. • Finally assessed the appropriateness and presentation of disclosures against relevant accounting standards, Insurance Act 1938 (as amended in 2010), Insurance Rules, 1958 and other applicable rules and regulations and regulatory guidelines.
See note no. 23.00 to the financial statements.	

Other information

Management as well as Directors are responsible for the other information. The other information comprises all of the information in the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be

materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements that give a true and fair view in accordance with IFRSs, the Companies Act 1994, the Insurance Act 2010, the Insurance Rules 1958 (as amendment in 2010), the Securities and Exchange Rules 1987 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgments and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In accordance with the Companies Act 1994, the Insurance Act 2010, the Insurance Rules 1958, the Securities and Exchange Rules 1987 and relevant notifications issues by Bangladesh Securities and Exchange Commission, we also report that:

- We have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- In our opinion, proper books of account as required by law have been kept by the company so far as it appeared from our examination of those books; and
- The statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account.
